

CURRICULUM VITAE

Stephen P. Ginsberg, M.D.
Kensington Eye Center
4701 Randolph Road, #G-2
Rockville, Maryland 20852

Phone #: 301/881-5701
FAX #: 301/881-5460

Birthday: January 15, 1941

EDUCATION

1. Fairfax High School (Los Angeles) – Student Body President
1955-1958
2. UCLA - Pre-Med. Honors in Zoology 1958-1962
3. University of California (San Francisco) Medical School
President of Freshman Class
Editor of Yearbook (1966)
California Club Member
Doctor of medicine Degree Granted June 8, 1966
4. Los Angeles County Hospital, Unit I – Rotating Intern
1966-1967
5. University of California (San Francisco)
Ophthalmology Resident 1967-1970
6. Heed Ophthalmic Corneal Fellow-University of Florida
Gainesville (Herbert Kaufman, M.D.) 1970-1971
7. Georgetown University (Washington, D.C.)
Master of Arts in Liberal Studies December 31, 1993
8. Executive Council of the Georgetown University
Liberal Studies Alumnae Advisory Group 1999-2000

RESEARCH PROJECTS

1. UCLA Department of Neuro-physiology – Summer 1962
Project: Factors Influencing Pain Thresholds in Man.

RESEARCH PROJECTS (Cont'd)

2. UCLA (NPI) Department of Neurology – Summer 1962
Project: Sleep EEG in Temporal Lobe Epileptics.
3. UCLA Department of Ophthalmology – Summer 1964
Project: The Long-term Effects of Subconjunctival Steroids on Intra-Ocular Fluid Levels (Dr. Leonard Apt).
4. U.C. San Francisco Department of Ophthalmology 1969-1970
Project: Clinical research on Retinal Detachment Surgery.
5. University of Florida Department of Ophthalmology 1970-1971

LICENSES

1. California – 1966 (Not Current)
2. District of Columbia – 1971 (Current)
3. Maryland – 1974 (Current)
4. Virginia – 1996 (Current)

BOARD CERTIFICATION

1. American Academy of Ophthalmology and Otolaryngology – 1973

PUBLISHED PAPERS, BOOKS, BOOK-CHAPTERS, AND NEWS ARTICLES

1. Failure of Systemic Analgesic Agents to Alter the Absolute Sensory Threshold for the Simple Detection of Pain.
Chapman, Dingman, Ginsberg, Brain, Vol. 88, Pt. V. 1965
2. Familial Dysautonomia (The Riley-Day Syndrome).
Ginsberg, Clinical Pediatrics, 5:308-314, May 1966
3. Normal Patterns of Corneal Thinning after Penetrating Keratoplasty.
Ginsberg, Capella, Kaufman, American Journal of Ophthalmology
Volume 73: April 1972, P. 555
4. Hereditary Fleck Dystrophy Associated with Decreased Corneal Sensitivity.
Birndorf and Ginsberg, American Journal of Ophthalmology
Volume 73: May 1972, P. 670

PUBLISHED PAPERS, BOOKS, BOOK-CHAPTERS, AND NEWS ARTICLES
(cont'd)

5. Cyanoacrylate Tissue Adhesive in Ocular Diseases.
Ginsberg and Polack, Ophthalmic Surgery, Volume 3: May 1972,
P. 126
6. Autonomic Dysfunction Syndrome.
Ginsberg, Polack, Ravin and Smith, American Journal of Ophthalmology, Volume 74: December 1972, P. 1121
7. Corneal Preservation – Chapter 20 – Normal Pattern of Corneal Thinning after Penetrating Keratoplasty.
Capella and Edelhauser (editors), Charles Thomas, Publisher
Ginsberg, Capella and Kaufman – Chapter 20, 1973, Pgs. 211-220
8. Clinical Ophthalmology – Author of Chapter on Corneal Problems In Systemic Disease. (Volume 5)
Henkind and Gold (editors) – Systemic Ophthalmology Section
Harper and Row, Publisher, 1976, 1980, 1982 (Revisions)
9. The Intra-Ocular Lens Implant and Cataract Surgery
Ginsberg, S.P., Contact Lens Journal (Contact Lens Society of America) 9: 21028, March 1976
10. Intra-Ocular Lens Implant and Cataract Surgery
Ginsberg, S.P., The Medical Bulletin (of the Montgomery Medical Society), 21: 91-95 October, 1976
11. Intra-Ocular Lens Implants “Ideal Solution” for Cataracts?
Ginsberg, S.P., The Dispensing Optician 13-15 June, 1977
12. Intra-Ocular Lens Implants – Results in 179 Cases
Ginsberg, S.P., The Medical Bulletin (Montgomery Medical Society) 24: 8-12, January, 1979
13. Donor Tissue Procurement for Corneal Transplantation
Ginsberg, S.P., The Medical Bulletin (Montgomery Medical Society) June-July, 1979
14. Results of Anterior Chamber Implants
Ginsberg, S.P., Ophthalmology Times August 1980

PUBLISHED PAPERS, BOOKS, BOOK-CHAPTERS, AND NEWS ARTICLES
(Cont'd)

15. The Surgical Management of Nearsightedness
Ginsberg, S. P., The Medical Bulletin (Montgomery Medical Society)
December, 1980
16. When the Doctor Dies
Ginsberg, S.P., The Medical Bulletin (Montgomery Medical Society)
January, 1981
17. The Surgical Management of Nearsightedness
Ginsberg, S.P., Medical Journal of the Contact Lens Association
Of Ophthalmologists, Volume 7: #3 July-September, 1981
18. Cataract and Intraocular Lens Surgery: A compendium of Modern
Theories and Techniques. Ginsberg, S.P., Editor – Aesculapius
Publishing Company (Birmingham, Alabama) 2 Vols. 728 Pgs.
September, 1984
19. The Triple Procedure: Indications, Advantages, Disadvantages
Ginsberg, S.P., Ocular Surgery News, November, 1984
20. A Guide to an Effective Out-Patient Ophthalmic Surgical Center
Ginsberg, S.P., Editor – Charles B. Slack Publishing Company
(Thorofare, New Jersey) 250 pgs. February, 1985
21. 1st International Cornea and Eye Banking Symposium
Fred Brightbill (Editor) C.V. Mosby Publisher. Chapter on
Corneal Perforations, Ginsberg, S.P., 6 pgs. Winter, 1985
22. Corneal Perforations: A Review of Etiology, Medical Therapy,
and Surgical Correction
Ginsberg, S.P., Brightbill, F.S., Ocular Surgery News October,
1985
23. Series Covers Special Situations in Corneal Thinning, Perfor-
ations
Ginsberg, S.P., Ophthalmology Times February, 1986
24. Epithelial Defects: Recognition, Appropriate Treatment discussed
Ginsberg, S.P., Ophthalmology Times February, 1986
25. What is Procedure of Choice for Best Corneal Perforation Repair?
Ginsberg, S.P., Ophthalmology Times March, 1986

PUBLISHED PAPERS, BOOKS, BOOK-CHAPTERS, AND NEWS ARTICLES
(cont'd)

26. Battling the Small Pupil During Cataract Surgery
Ginsberg, S.P., Ocular Surgery News July, 1986
27. Ophthalmic Technology: A Guide To The Eye Care Assistant
Rhode, S.J., C.O.T. and Ginsberg, S.P., M.D. (Editors). Raven
Press Publisher (New York) Spring, 1987 482 pgs.
28. Corneal Surgery: Theory, Technique and Tissue, 2nd. Edition,
Corneal Perforation, Chapter 30, Pgs. 339-351
Ginsberg, S.P., Brightbill, F.S., C.V. Mosby, 1993
29. The Surgical Correction of Vision
Ginsberg, S.P., Montgomery Gazette Page C-14, November 24
1995
30. Early Diagnosis Critical in Age-Related Macular Degeneration
Ginsberg, S.P., Potomac Gazette Page A-38, July 9, 1997
31. Corneal Surgery: Theory, Technique and Tissue, 3rd. Edition
Central Corneal Thinning
Ginsberg, S.P., Brightbill, F.S., C.V. Mosby,
April, 1999
32. Corneal Surgery (4th Edition) Brightbill, F.S. (Editor)
Central Corneal Thinning and Perforation (Chapter 12.4)
Ginsberg, S.P., Brightbill, F.S., Aigner, T.L. Elsevier, 2008)

TEACHING AFFILIATIONS AND COURSES

1. George Washington University – Assistant Clinical Professor
1971-1974.
2. American Academy of Ophthalmology and Otolaryngology – Annual
Course – Basic Approach to the Management of Corneal Disease
Given in Conjunction with Stephen Waltman, M.D. and John
McTigue, M.D. 1973.
3. Washington Hospital Center – Corneal Consultant 1974.
4. DeWitt Army Hospital – Civilian Consultant – 1974-1989.

TEACHING AFFILIATIONS AND COURSES (Cont'd)

5. St. Elizabeth Hospital, Washington, D.C. – Consultant 1974.
6. Walter Reed – Faculty – Biennial Eye Meeting 1976, 1978, 1980.
7. Doctor's Hospital (D.C.) – Faculty – Ophthalmic Microsurgery Course – August 1977.
8. Mid-Atlantic Ophthalmic Sales Meeting, Silver Spring, Maryland October, 1979 – Cataract Surgery and Intra-Ocular Lens Implants. (CME Credit 1 for attending Ophthalmologists, Opticians, and Optometrists).
9. Mid-Atlantic Ophthalmic Micro-Surgery Society – Intra-Ocular Lens Symposium – June 26th-27th, 1981, Capitol Hill Hospital, Washington, D.C. (Annual Course) CME – 16 Units
Co-Directors: John McTigue, M.D., Washington, D.C.
Stephen P. Ginsberg, M.D.
Amos Willis, M.D., Fredericksburg, Virginia
10. Battlefield Optometric Society – Winter Seminar – February 7, 1982.
Subject: Common External Eye Disease
11. First Washington Oculoplastic Course – Presented by Washington Adventist Hospital – March 25-26, 1982 at Marriott Hotel-Key Bridge, Arlington, Virginia.
Course Directors: Stephen P. Ginsberg, M.D.
Richard Chavis, M.D.
12. Senior Citizens Prince Georges County Maryland – “Cataracts And IOL's” – April 20, 1982.
13. 2nd Annual Mid-Atlantic Ophthalmic Microsurgery Society Symposium Complications of IOL's – Co-Director – May 21-22, 1982.
14. 6th Western New York “How To” Course Concerning the Ins and Outs of Out-Patient, Office-Based Surgery Facility – Buffalo, New York August 14-15, 1982 – John H. Park, M.D., Herbert Gould, M.D.

TEACHING AFFILIATIONS AND COURSES (Cont'd)

15. Flexible Anterior Chamber Lenses, Extracapsular Techniques, Posterior Chamber Lenses and Secondary Implants – September, 1982.
Seminar Director: Philip C. Hessburg, M.D.
Faculty: Philip C. Hessburg, M.D., Grosse Point, Michigan
James Andrew, M.D., Columbus, Ohio
Stephen P. Ginsberg, M.D., Silver Spring, MD
R. Ray Sayano, PhD., Pasadena, California
16. Terry Keratometry Update – Clifford Terry, M.D., Winterpark, Florida
Faculty: Alfred Jolson, M.D. October 1982
17. Continuing Medical Education Seminar for the Maryland Optometric Association – November 7, 1982 – Subject – External Diseases and Update on Intra-Ocular Lens Implants.
Faculty: Stephen P. Ginsberg, M.D.
18. AIOLs Meeting – New Orleans – Presented “Triple Procedure” Paper 1983.
19. AIOLS Meeting – Los Angeles – April, 1984.
20. YAG Laser Symposium – Atlanta, May 12, 1984.
21. American Academy of Ophthalmology – Annual Meeting – Atlanta, Georgia – November, 1984.
22. Out-Patient Ophthalmic Surgical Society Meeting – Dallas, Texas February, 1985. Speaker.
23. American Intra-Ocular Lens Symposium – Boston, Massachusetts April 9-13, 1985. Speaker.
24. Cataract Advisory Weekend Meeting – Cooper Vision – La Costa Hotel, Carlsbad, California, May 16-19, 1985. Speaker.
25. 1st International Cornea and Eye Banking Symposium – San Diego, California, June 6-8, 1985. Speaker.

TEACHING AFFILIATIONS AND COURSES (Cont'd)

26. Maryland Academy of Eye Physicians & Surgeons – Guest Speaker on the Out-Patient Surgical Center, June 12, 1987 – Columbia, Maryland.
27. Howard University Resident Conference Speaker, “Corneal Perforations”. Spring, 1988.
28. Washington Adventist Hospital – Grand Rounds Speaker, March, 1990, “Ocular Herpes Infections”.
29. Corneal and External Diseases Conference – University of Virginia, Williamsburg, Virginia, April 6-8, 1990.
30. Neuro-Ophthalmologic Update – Fairfax Hospital, The Medical Society of Virginia, April 21, 1990.
31. “Risk Prevention Skills” – Self-Study – University of California (San Francisco) – Extended Program in Medical Education, May, 1990.
32. Kelman Phacoemulsification Course – Kelman Research Foundation, Inc., New York, New York, June 5-7, 1990.
33. Phacoemulsification and Related Topics – University of Texas Health Science Center, San Antonio, Texas, August 3-4, 1990.
34. First Annual Ocular Surgery News Symposium In Small Incision Surgery, New York City, October 10-11, 1992.
35. International Society of Refractive Keratoplasty. Mid-Summer Symposium, July 23-25, 1993, Minneapolis, Minnesota.
36. American Academy of Ophthalmology, 1993 Summer Institute (Excimer Laser – Advanced Phacoemulsification) August 5-8, 1993, Washington, D.C.
37. Chiron – Intraoptics, Keratorefractive Surgery Course (Casebeer Technique), August 21-22, 1993, Washington, D.C.

TEACHING AFFILIATIONS AND COURSES (cont'd)

38. Washington Adventist Hospital – Grand Rounds Speaker, March, 1995, “Refractive Surgery for Nearsightedness”.
39. Chiron – Lasik Course – San Antonio, Texas, May 3-4, 1998.
40. Visually-Handicapped Group-Leisure World, Silver Spring, Maryland – Speaker on Various Eye-related Topics, Spring, 1997; Fall, 1997; Spring, 1998.
41. Northern Virginia Ophthalmological Society – Memory Lens Symposium Speaker, Tyson’s Corner, Virginia – Spring, 1998.
42. Visit Daniel Durrie, M.D., Kansas City, Kansas, October, 1999, Four Day Private Tutorial on Lasik, Intra-Corneal Rings

HONORS, SOCIETIES AND FELLOWSHIPS

1. Frederick Cordes Eye Society, San Francisco 1970-present
2. Heed Ophthalmic Fellowship Society 1970-present
3. University of Florida Alumnae Society 1970-present
4. Medical Society of District of Columbia – Associate 1971-1984
5. Diplomate of the Academy of Ophthalmology and Otolaryngology, 1973
6. Montgomery County Medical Society – Active 1974-present
7. Jacoby Medical Society – Washington, D.C. 1974-1975
8. Maryland Academy of Ophthalmology 1975-1978
9. American College of Surgeons, Fellowship – 1975
10. American Intra-Ocular Implant Society – Associate 1975
11. Plaque of Appreciation – Minister of Health, Republic of Korea, 1975

HONORS, SOCIETIES AND FELLOWSHIPS (Cont'd)

12. Plaque of Appreciation – Korean Medical Society, New York, 1975
13. Pan American Ophthalmology Foundation, 1975
14. Association for Research and Vision in Ophthalmology 1971-1972
15. Contact Lens Association of Ophthalmologists, 1976-1981
Maryland State Membership Chairman – 1979-1981
16. Washington Ear, Inc. Board of Directors, 1977-1983
Vice-President – 1980-1983
17. Who's Who In The East – 1977-present (Marquis Publications)
18. Community Leaders and Noteworthy Americans 1978 (American Biographical Institute, Publisher)
19. Medical Advisory Committee for the District 22-C Lions Eye Bank and Research Foundation, Inc. 1978
20. Montgomery Medical Society Committees 1979-1980 Assoc. Editor – Montgomery Medical Society Bulletin Constitution And Bylaws Awards
21. Editor, Montgomery Medical Society Bulletin – 1980-1982
22. Founding Member and Vice-President – Mid Atlantic Ophthalmic Micro-Surgery Society – 1981-1982
23. International College of Surgeons, Fellowship 1981
24. Editorial Advisory Board – Ocular Surgery News, 1984-1992
25. Ophthalmic Laser Society, Treasurer, 1984-1991
26. United States Patent #4,562,500 The Laser Anti-Migration Barrier Intra-Ocular Lens Implant – Inventors – Ginsberg, S.P., Faries, D., January, 1986
27. Washingtonian magazine's "Top Doctors" list, November, 1991, November, 1993, November, 1996, April, 1999, 2002, 2005

HONORS, SOCIETIES AND FELLOWSHIPS (Cont'd)

28. "Friends and Alumni Society of the AFIP", August 4, 1993

HOSPITAL AFFILIATIONS

1. George Washington University – Former Assistant Clinical Professor, 1971-1974
2. Holy Cross Hospital of Silver Spring – Courtesy Staff, 1974-1996
3. Washington Adventist Hospital – Takoma Park – Chairman, Ophthalmological-Sub-Section- Attending Staff, 1974-present
4. Health South Ambulatory Surgery Center, Rockville, MD – Staff 1995-present

CONSULTANTS

1. DeWitt Army Hospital – Ft. Belvoir, VA – Consultant, 1974-1989
2. Surgical Advisory Board – Alcon, Inc.
3. Surgical Advisory Board – Ethicon, Inc.
4. Capital Area Permanente Medical Group – Gaithersburg, MD, Consultant – 1987-1988
